Resources	

Course Description:

Students in Advanced Accounting will develop advanced skills that build upon those acquired in Accounting I. Additional accounting skills such as departmentalized accounting, reconciling uncollectible accounts, calculating depreciation on assets, interpreting financial information, and calculating notes and interest will be developed. Computerized accounting may be incorporated where resources are available.

Program of Study Application

Advanced Accounting is a continuing course in the Accounting pathway of the Finance cluster. Accounting I must be completed as a prerequisite and Specialized Accounting may be taken to complete the Accounting pathway.
